Regency doors  
Classic Cottage and Stable doors

# Regency doors

**Regency** doors look, sound and feel like a traditional timber door whilst giving you the high levels of performance expected for today.

- Unique FlushGlaze™ glazing system.
- Low emissivity double-glazed glass units for high thermal efficiency.
- Durable, non-painted ColourFusion SMC facing.
- High security multi-point locking: anti-bump, snap, drill and pick.
- Triple weather-sealing frame system.
- EdgeGuard™ door edge protection.
